

Corrigenda for hardcopies of the report 1999 and 2000

A few editorial mistakes were found in the Report of the Inter-laboratory Comparison Project on Soil in the previous years, 1999 and 2000. These mistakes were not directly related to the results and evaluation of the data. Please refer the following correction for the previous reports. These mistakes have already been corrected for the Web-version.

1) Report of the Inter-laboratory Comparison Project on Soil 1999

Page/chapter/line	Mistake	Correction
General	AAS: Atomic <u>adsorption</u> spectrometry	AAS: Atomic <u>absorption</u> spectrometry

2) Report of the Inter-laboratory Comparison Project on Soil 2000

Page/chapter/line	Mistake	Correction
General	AAS: Atomic <u>adsorption</u> spectrometry	AAS: Atomic <u>absorption</u> spectrometry
